Forma Radio Frequency - *discover younger acting skin*

A non-invasive and natural looking approach to improvements in skin tone and texture irregularities. Forma can be used both on the face and body. Commonly treated areas on the face include: forehead, crows feet, upper eyelids, lower eyelids, nasolabial folds, jowls, smile lines and neck .

Plus Radio Frequency - *advanced body remodelling*

On the body, popular treatments consist of the arms (bat wings), abdomen and other areas that may need contraction.

BodyFX –Radio Frequency *cellulite treatment*

A superior solution is used to improve the appearance of cellulite, reduce dimpled skin, loss of elasticity on the abdomen, love handles, hips, thighs and other areas that require fat reduction.

one treatment for the face	£150
one treatment for one area of the body	£175

Or buy a course and pay for 5 and get the 6th treatment free.
